

Landscape Company, Inc.

La Rosa Landscape Company has been creating and managing residential, commercial and industrial properties since 1989. We are a full service landscape company that has long been recognized in Southeastern Wisconsin for its truly distinctive landscapes.

We offer an excellent benefit package including 401K, paid vacation and holidays, health/dental/life insurance, as well as uniforms, continuing education, and bonus incentive pay plus more.

We are currently looking for energetic and self motivated people to join our team in the following areas:

LANDSCAPE CONSTRUCTION

Landscape Foreman

We are looking for a landscape professional with 3-5 years of experience in masonry, pavers, retaining walls, plant identification, plan reading and bed preparation. This individual must be self-motivated, energetic and able to oversee a 2-3 person crew with efficiency. Experience in masonry, carpentry, pond installation and low voltage lighting is a plus but not necessary.

Landscape Technician/Laborer

We are currently looking for individuals who must be self-motivated, energetic and is looking for a career in the landscaping field. We provide training in all areas of landscaping including, but not limited to, brick installation, retaining walls, plant identification, plan reading, low voltage lighting, carpentry, and certification in pesticide applications and pond installations. We will also help you obtain your Commercial Driver's License (CDL) and become a Certified Landscape Technician (CLT).

Landscape Truck Driver

We are looking for a professional commercial truck driver with a good driving record and a CDL Class ABC to join our team. Duties include, but are not limited to, delivery of plant material, brick, block, soil, stone and landscape supplies to our job sites. Good communications and the ability to multitask a plus.

The ability to load and unload equipment such as skidsteers, wheel loaders, tractors and implements is helpful. Snow plowing experience is a plus.

LANDSCAPE MAINTENANCE

Mowing Crew Leader/Technicians

We are seeking a limited number of Crew Leaders and Technicians to provide professional mowing for unique, exciting residential and commercial landscape management accounts.

Gardening/Detail Crew Leader/Technicians

We are looking for a Gardening/Detail Crew Leader with prior experience and/or education in the horticulture field to work on our exclusive residential and commercial landscape management accounts. Tasks will include seasonal flower changes, pruning, weed control, perennial care, fertilizing, disease and insect control, prepping sites for special events and other detailed landscape work. Applicants must have a pesticide license or ability to acquire one.

We also need Gardening/Detail Technicians, experience and/or education for this position are not as important as a strong desire to learn. This is an excellent opportunity for someone looking to make a career change into the horticulture field.
