

Lied's Nursery Corporation, a leader in the Green Industry, is currently seeking candidates in the following areas to join our

LANDSCAPE MANAGEMENT

As a part of Lied's Landscape Management Division you will have the opportunity to provide service at some of Metro-Milwaukee's premier properties. Lied's offers a full compliment of services to our residential and commercial clients. If you place an emphasis on quality, safety, efficiency and continuous improvement please review the current career opportunities listed below and contact us! We look forward to hearing from you soon!

FULLTIME Career Opportunities:

NEW LISTING: Landscape Management Production Supervisor

Manage our full service residential crews and at some of Metro-Milwaukee's premier properties.

Landscape Management Foremen (Crew Leaders)

We are looking for motivated individuals with some experience in the green industry to manage all aspects of our clients' landscapes.

Landscape Management Crewmember

As a Lied's landscape management crewmember you will work alongside many professionals and industry leaders. You will work hard physically but your mind will also be challenged as you learn about horticulture and landscaping from some of the best in the business!

Landscape Management "Swing Crew" Positions

"Swing Crew" employees do "light" landscape construction (planting, mulching, pruning and landscape renovation work). If you're looking to branch out from more traditional landscape maintenance work and are interested in learning a new set of skills, this is the company and crew for you!

SEASONAL Positions

Flower Planters

Watering Technicians

LANDSCAPE DESIGN & DEVELOPMENT:

FULLTIME Career Opportunities:

Landscape Construction Foreman

This position involves the technical skills needed to perform landscape installation functions, and the managerial abilities to plan and track the job progress, direct the crew, keep records and communicate with the Salesperson, Superintendent and Client.

Landscape Construction Technician

This position involves the technical skills needed to perform landscape installation functions. The Technician is a Foreman in training position and considered the right-hand person to the Foreman.

Landscape Construction Crewmember

This position involves the technical skills needed to assist in the installation of landscape construction jobs.

EQUIPMENT REPAIR:

We are looking for a full-time Equipment Repair Mechanic with small engine knowledge. Hours are Monday – Friday 11:30am – 8:00 pm. We do have some flexibility with the schedule! Please inquire!

We place a strong emphasis on safety and attribute much of our success to that standard. We are looking for candidates with the same value.

Lied's provides a strong benefits package, including 401k. For a description of job duties, visit our website at www.lieds.com

Interested individuals should submit a resume or apply in person (no phone calls please) Monday – Friday between 8 am-5 pm at:
